

Objectives

We invite individuals, educational trusts, educational statutory bodies and corporate houses to be part of this great/noble cause and contribute on both financial and intellectual grounds for capacity building of this whole project. Here are the finer details of the business proposal offer of The Siddha Ganesha Education Society (Regd):

A Karnataka State Government approved and recognized (prior to 1994) English Medium School, .
Classes from LKG to SSLC can be run.

The existing school which is now being run on rented premises will be moved to the new campus from the academic year 2008.

The above Education Society is registered under Section 80G of the Income Tax Act, which means that the donor is exempted from tax liabilities.

In the new campus the construction of 10,000 square feet of class room space is in progress. Provision for an expandable capacity of 20,000 sq ft has been made in the form of 1st and 2nd floors. The new campus is spread over 2 acres.

The new campus is accompanied by a state of the art floodlit stadium which is to be developed by the Government of India.

The entire project is scrutinized and approved for finance by the State Bank of India, Main Branch Dharwad. Approved financial limits to the extent of Rs 32 lakhs remains unutilized.

Also, Rs (INR) 5 lakhs contributed by a MP for construction of a classroom is yet to be utilized.

Further 2 acres of land has been reserved for expansion of the new Education Society. Expansion provisions for professional colleges, teaching various disciplines, both technical and non-technical and any other branch of learning, which the new education society ultimately decides and deems fit in the future is available.

Expandable classroom space of 24,000 sq ft (In the form of 1st and 2nd floors) is available.

The total expenditure occurred till now (excluding land value) has crossed Rs. 1 Crore.

The contributor has all the liberty to suggest, discuss and modify the policy and plan in achieving the objectives of the Society.

In order to create a world class institution we need a convergence of committed people, effective systems and resources, wherein you will play a major role.

The Society assures that the sentiments and feelings of the contributor will be respected.

Consider this as a grand invitation to come and participate in this endeavour and reap the benefits.
